

FRIDAY 7TH JULY 2023

# BOSLEY ST. MARY'S CE PRIMARY SCHOOL

I can do all things through Him who strengthens me

The children have been in their element this week as they made their early transition into their new classes.

I loved the top tips Oak Class had written for the Year 3 moving up. A few they included were:

- Think of it like you have always been here
- Over and Above
- Be happy
- Have fun

From what I have seen, the children certainly have had fun and the staff have commented on the fact that it is like the children have always been part of the class which suggests that they have all settled really well into their new classes.

I think we will have a fabulous last few weeks of term.

## Bosfest

Bosfest is fast upon us and Mrs Cole has been busy planning behind the scenes. As in previous years, the children look forward to this event all year and this year will not disappoint. There will be a vast range of activities available for the children which have been carefully planned for by the staff and parents of the school.

**Date: Wednesday 19th July**

**Time: 1.30pm-3pm**

**Price: £10 per child (payment to be made via school spider)**

The PTA will be fundraising at Bosfest with:

- a refreshment stall - donations of cakes/biscuits would be much appreciated - please bring in on morning of 19th.
- a second hand uniform stall - donations of very good condition uniform welcome, more details to follow.
- a raffle - first prize... £50 DV8 vouchers, second prize ... meal for 2 at The Harrington Arms, Bosley - details on how to buy tickets to follow.

We warmly welcome yourselves, friends and families to join us for this memorable event.

### A message from the PTA

Many thanks for supporting the cake sale which raised £41 and ice pop sale, which will continue Thurs and Fri next week (weather permitting).

## Teacher Strikes

You may be aware from continuing media coverage that there is still no resolution between the government and the NEU over teachers' pay and conditions, and school funding. As a result, the Unions declared more teacher strikes that took place this week. Whilst, we as educators join our colleagues nationwide in the pursuit of improved wages and the ever-increasing professional demands placed on us by the government, we stand together as a school to ensure that there was as least disruption as possible for our children and families.

With that in mind, I want to take this opportunity, and I am sure you will join me, in thanking the staff here at Bosley for showing commitment and dedication to their jobs and to the school so that it was again, 'business as usual!'

## Leavers Service

**All welcome** to join us on Wednesday 19th July at 9.30am.

## **Blossom**

### **5, 4, 3, 2, 1....Blast off!!**

Blossom class have been busy being space explorers as they work on their topic of Space.

The role play area is taking shape and being added to daily, the children really are thriving using this space as their language and communication with each other is really developing.

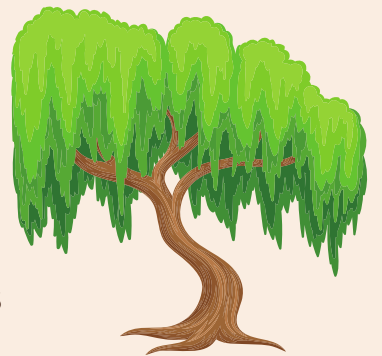

## **Willow Class**

From one end of the planet to the other...under the sea!

What a way to begin the topic with the curiosity box taking a pride of place in the classroom.

Children loved being curious about the goodies that were inside the box. Again, lots of lovely language being used between one another.

## **Oak class**

While the other children enjoy their transition time, the Year 6 children have been tasked with a 'Grow your £5' project. Over the next two weeks, the children will complete a series of lessons on money management and enterprise before organising a sale of goods during the last week of term, to raise money for a charity of their choice.

We can't wait to see what business ideas they have come up with.
