

# Scheme of Delegation September 2022

### Introduction

# Chester Diocesan Academies Trust is a company limited by guarantee and registered in England and Wales under company number 8451787.

Chester Diocesan Academies Trust (CDAT) is a Multi-Academy Trust (MAT) that was formed by Chester Diocesan Board of Education (the 'DBE') in order to provide for diocesan schools that may be required to join an academy Trust due to government requirements or schools that wish to join a diocesan led Multi-Academy Trust. Both the DBE and CDAT are committed to the provision of high-quality Christian education across the Diocese and beyond.

CDAT is run by a Board of Directors that is accountable to the Secretary of State for Education for the performance of each academy within the Trust.

Within CDAT, each Academy typically has its own Local Governing Body. This includes both parent and staff representatives but with the majority appointed by the CDAT Board following its appointments procedures. Some academies may choose to have shared governance with one LGB overseeing more than one school, and this will be constituted by the Board following discussions between the CEO and the LGB/GB of the schools concerned.

The CDAT Board has overall legal responsibility for the operation of the MAT and the academies within it, however, the Board works in partnership with its family of Academies and uses the skills and knowledge of Local Governing Bodies to help challenge and support the professionals working within the academies to provide the best outcomes for every child and young person in the Trust.

This Scheme of Delegation therefore provides for certain functions to be carried out by one or more of the following:

- the Members
- the CDAT Board;
- the Chief Executive Officer (CEO) and other officers as specified;
- the Local Governing Body of the Academy; and
- the Headteacher of the Academy;

This scheme should be read in conjunction with the Memorandum and Articles of Association, Master Funding Agreement, Supplemental Funding Agreement, the CDAT Governor Handbook, the process for appointments to Local Governing Bodies in CDAT, the Financial Procedures and Policy Manual, and other documents and guidance produced by CDAT from time to time.

# Overview of Roles and Responsibilities

### The Members

The Members are akin to shareholders in a commercial company and have ultimate control over the direction of the academy Trust through the appointment of Directors and control of the structure of the CDAT Board.

Currently the 5 Members are:

- The Diocesan Board of Education acting corporately;
- The Bishop of Chester;
- Two individual members of the Diocesan Board of Education nominated by that Board;
- The Chair of the Board of Directors of CDAT.

### The CDAT Board

The CDAT Board is a Board of Directors that has responsibility for the effective running of the Trust and the individual academies within it. The Board may decide to form committees to carry out certain of its functions. Currently there are two committees: the Finance and General Purposes Committee and the Education Effectiveness Committee. Other committees or regional boards may be formed as CDAT grows. The term 'CDAT Board' will therefore include any such committees/boards that may be formed from time to time and decisions allocated to the CDAT Board may be taken by those committees in accordance with their terms of reference.

### The CEO

A significant number of responsibilities under the Scheme of Delegation lie with the CEO. The term 'CEO' refers to the Chief Executive Officer but, as the CEO may choose to delegate some of these functions to members of the central team, the reference to CEO may therefore include the Director of Finance and Operations (DFO), Education Officers or other staff employed centrally. The term 'Education Officer' may refer to anyone employed by or brokered by the Trust to provide educational support and challenge to schools and answerable to the CEO – e.g. School Advisors/Early Years Advisors.

The CEO typically delegates the day-to-day management and running of finance and operations to the DFO. The DFO leads the central finance and operations team. Therefore, where responsibility for financial and operational matters lies with the CEO, the work involved may be led by the DFO and reported back to/signed off by the CEO.

### Local Governing Body (LGB)

The Local Governing Body is essentially a committee of the Trust which has delegated powers in order oversee the running of its individual academy. The LGB may choose to delegate some of these powers to smaller committees or the Headteacher as it deems fit to fulfil its responsibilities. Where the document refers to the LGB this may include such committees or further delegation but with the understanding that the ultimate responsibility remains with the LGB.

### Headteacher

The CDAT Board has agreed that the Headteachers in each of its schools should continue to be referred to as 'Headteacher', rather than as 'Principal'. Similarly, the schools in CDAT retain the name 'school' (rather than 'academy'): in this document, the terms school and academy are used interchangeably.

In our schools, the Headteacher will be assigned delegated powers but may choose to delegate these further to another member of staff e.g., the School Business Manager or Deputy Headteacher. Where the document refers to Headteacher this may include other staff members who have been delegated responsibilities with the understanding that the ultimate responsibility remains with the Headteacher.

In all cases the CDAT Board is accountable directly to the Secretary of State for each academy and thus has overall responsibility in all areas regardless of delegated powers. The CEO has authority to nullify decisions made by LGBs or to direct Headteachers if the CEO considers that it is in the best interests of CDAT to do so, or that a decision made by an LGB is not in the best interests of the school.

# Academy Banding

It is the aim of CDAT for all its academies to provide pupils with the highest quality educational provision, and for this to be acknowledged in both Ofsted and SIAMS inspections with judgements of 'good' and 'outstanding'. We anticipate that the vast majority of schools in the trust will be working at this level, and under the Scheme of Delegation considerable responsibility is delegated to these schools' Local Governing Bodies and Headteachers. We acknowledge though that some schools will require more support to secure consistently good or outstanding provision and will ensure that this support is provided. We anticipate three potential sets of circumstances where additional support may be required:

- where a school has had an 'inadequate' Ofsted judgement and so has been identified for sponsorship by the RSC, with CDAT as named sponsor;
- where a school has an 'RI' Ofsted judgement, or has been identified as causing concern by the local authority or DBE, and so is not in need of formal 'sponsorship' but does require additional support;
- where a school's circumstances dictate that it needs additional support beyond the norm such as when there have been significant staffing changes, budgetary issues or another change in the school's situation impacting on its overall effectiveness.

In the first half of the autumn term, each school will engage in an 'annual conversation' with officers of the trust. At this point the school will be placed into one of 3 bands, reflecting the amount of support it is expected to require over the course of the year. The school will typically remain in this band for the academic year unless the CEO determines that a change in situation warrants a revision to the school's banding.

### Band 1

Schools in Band 1 consistently and reliably provide pupils with a good or better standard of education. Although they still benefit from CDAT's school improvement work, they also have the quality and capacity to support that work too.

Schools joining CDAT will typically be assumed to be in Band 1 if their most recent Ofsted and SIAMS judgements are at least 'good', and no significant concerns have been raised through the due diligence process. For schools already in CDAT, judgements as to banding will be made through the 'annual conversation' process, as above.

Typically, schools in Band 1 will receive the equivalent of 6 x  $\frac{1}{2}$  day visits per year (e.g., 1 per half term) from the CEO or an Education Officer. At least one of these visits each year will involve monitoring activities that will help to form/sustain judgements on the effectiveness of provision at the school.

### Band 2

Schools in Band 2 are those generally falling into the Ofsted 'requires improvement' category, or schools that have previously been judged as inadequate but have made significant progress to coming out of their category of concern. Here the objective will be to provide ongoing support to help them

progress to good and outstanding. Within the Scheme of Delegation, the trust may retain appropriate functions to ensure Local Governing Bodies and Headteachers receive the challenge and support they require to deliver school improvement.

Band 2 schools will receive a minimum of 6 x ½ day CEO/Education Officer visits per year (e.g., 1 per half term), and typically at least one of these visits each term will involve monitoring activities that will help to form/sustain judgements on the effectiveness of provision at the school. In addition to visits from the CEO/Education Officers, Band 2 schools may also receive some additional support – such as:

- additional CEO/Education Officer input through training, staff meetings etc.;
- additional support from CDAT's finance/operations team;
- peer support from another CDAT school.

### Band 3

The trust anticipates two circumstances in which a school may be judged as falling into Band 3. Schools in Band 3 require the maximum level of support from the trust.

Firstly, there are those schools who have been judged as 'inadequate' by Ofsted. They will have received a directed academy order from the RSC and will have come into the trust as a sponsored academy. In this situation, the trust will receive additional funding for a sponsored academy in the form of a 'sponsorship grant' – additional to the usual conversion grant – which the trust will use to provide significant additional support for the school as it moves into the trust.

Secondly, there may be a small number of schools whose needs become significant and require a high level of intervention to help them to stabilize. These may be schools that have been judged as 'requires improvement' by Ofsted but are struggling to make progress, or who have previously been judged as a cause for concern by the local authority but have not been recently inspected.

In both situations, the trust may use its powers within the Scheme of Delegation to limit the degree of responsibility delegated to a school in Band 3, including (but not exclusively) responsibility for local governance, budgetary and financial decisions and staffing.

Typically, Band 3 schools will receive at least monthly visits from the CEO or an Education Officer and are also likely to require additional support from other parts of the trust's central team and/or leaders of other CDAT schools.

Where schools fall into Band 3 but do not qualify for sponsorship funding, the trust will seek additional external funding (e.g., ESIF) to fund the high-level of support the school requires. Where no external funding is available/can be secured, the trust may make an additional, reasonable and fully costed charge for support from the school to cover some of the costs of this support.

# Local Governing Body Structure

The 'make-up' of the Local Governing Body will depend on the academy's categorisation, based typically on its school category prior to conversion as set out in the funding agreement. This structure may be amended if governance is identified as a weakness in the regular monitoring of the work of the academy. The flexibility of the academy governance model will allow, in most cases, schools entering the Trust to replicate their existing governing body if they wish to do so. However, where a school comes into the Trust as a Sponsored Academy the LGB will be appointed by the Trust Board.

The number of people who shall sit on the LGB shall be not less than three but, unless otherwise determined by the Directors, shall not be subject to any maximum

Typically, the LGB of a CDAT academy shall have the following members:

- Foundation governors (appointed with particular reference to their Christian faith)<sup>1,2</sup>
- Non-foundation/community governors<sup>1,2,3</sup>
- 2 parent members, who shall normally be elected by the parent body but may be appointed in consultation between the CEO and LGB if no/too few parents stand for election
- The Headteacher as ex officio member
- 1 member of staff appointed following a suitable election process
- A maximum of 2 members co-opted by the LGB

<sup>1</sup> In a school that was Voluntary Aided before joining CDAT, the number of Foundation governors must be 2 greater than the total number of other governors: in a typical LGB where the headteacher, a staff member and 2 parents are governors (=4) there should be 6 Foundation governors

<sup>2</sup> In a school that was Voluntary Controlled before joining CDAT, there should typically be 2 Foundation governors and 2 non-Foundation governors, alongside the headteacher, a staff governor and 2 parent governors

<sup>3</sup> In the event of a community school joining the Trust, there would be no foundation governors on the LGB, but it would be expected that an appropriate representative of the local parish was invited to join the LGB as a non-foundation or co-opted governor. There would typically be 4 non-Foundation governors, alongside the headteacher, a staff governor and 2 parent governors

At any point the LGB must not have more than one third of the total number of its members who are employed at the academy (including the Headteacher).

The Directors (all or any of them) shall also be entitled to attend any meetings of the LGB. Any Director attending a meeting of the LGB shall count towards the quorum for the purposes of the meeting and shall be entitled to vote on any resolution being considered by the LGB.

The quorum for any LGB meeting will be 3 members or (where greater) any one third of the total number of LGB members in office at the time of the meeting providing that non-staff governors are in the majority. The LGB may also have associate members. Associate governors are appointed by the LGB and may attend and speak at meetings, but they do not count towards the quorum and do not have voting rights.

## Term of office and resignation/removal

The qualifications for being eligible to sit on the LGB are as for the Directors as set out in the articles of association, which can be found on the CDAT website. LGB members will be required to sign a form indicating their eligibility prior to appointment.

Every LGB member will be required to undertake an enhanced DBS check prior to appointment. The Board reserves the right to refuse the appointment of any LGB member based on the outcome of the DBS check.

The term of office for all governors will be 4 years except for the Headteacher, who is an ex officio member. The Chair and Vice-Chair of the LGB are typically elected annually by the LGB. However, where the school is a Sponsored academy the Chair and Vice-Chair will be nominated jointly by the LGB and CEO and agreed by the CDAT Board. Where the school is a Supported academy, the appointment of the Chair will be agreed jointly by the LGB and CEO.

Any LGB member who is elected/appointed as a parent member of the LGB and whose child leaves the academy to move on to their next stage of education may serve out their term of office.

The Headteacher and staff LGB member will no longer sit on the LGB if they no longer work at the academy.

The Board of Directors may remove any member who, in its reasonable opinion, has become ineligible to sit on the LGB as set out in the Articles or who has acted in a manner that breaches the CDAT governor code of conduct which each member is required to sign on appointment.

# **Delegated Powers**

Each academy is ultimately governed by CDAT, but the Trust recognises the benefits of the local skills, knowledge, autonomy and commitment required to support and challenge those who work within each academy to ensure the best outcomes for its children and young people.

This scheme sets out the decision-making levels and responsibilities for the academy. The levels may vary within the Trust depending on the situation of each academy (e.g., if it is sponsored by CDAT). This will be reviewed annually.

CDAT reserves the right to overrule this scheme if at any point it judges the LGB is not acting in the best interests of the children and young people in the academy or ensuring that the school is acting in accordance with the values and purposes of CDAT. It is expected that this would only occur in exceptional circumstances and where possible the LGB will be given warning of any concerns.

## Financial Arrangement – Management Fee

An agreed amount from each school's basic school budget (GAG) is retained by the Trust. This 'management fee' is retained by the Trust to allow it to provide high-quality central services. Schools retain additional funding such as Pupil Premium and PE/Sports Premium and are accountable to the Board for its use.

The starting point for calculation of a school's management fee is the number of pupils on role at the time of conversion. Typically, the management fees for different sizes of schools will be:

- Primary school with fewer than 300 pupils: 5%
- Primary school with between 300 and 500 pupils: 4%
- Primary school with 500 or more pupils: 3%
- Secondary school by agreement, but typically expected to be around 2.5%

However, in schools where significant additional support is identified as being required, such as schools that 'require improvement', schools in an Ofsted category who have not received additional school improvement funding, schools identified in their local authority's 'causing concern' protocol or exceptionally small schools, the Trust may make an additional, reasonable and fully costed charge where no additional external funding is available and support costs are exceptionally high. Also, where there is a reduction in the level of delegation to the Local Governing Body, a proportion of the school's budget may be retained centrally to enable the Trust to carry out those functions.

# The role of the DBE

All schools that came into CDAT as Diocesan schools (VA or VC) remain part of the Diocesan family of schools, and the Trust team and Board work closely with the officers of the DBE. The CEO and Board ensure that the Trust acts at all times in line with the appropriate statutory requirements of the DBE, as laid out in the DBE Measure.
